

Over 100 years of innovation

## i.Concept Compatibility

BH/Bladez Fitness i.Concept products are compatible with Apple® iOS6 operating systems and higher. The older (first generation) of Apple devices with operating systems prior to iOS6 will not operate with i.Concept products. See below for a list that identifies which model, by type, of each iPhone, iPod Touch, iPad and iPad Mini that will operate with our i.Concept exercise fitness products.
