## LK500WS treadmill

UPC 835126205196

- 2.5 HP DC Drive Motor provides excellent power and durability with quiet operation
- 47" x 29.5" desktop with integrated, cushioned wristpad provides ample workspace with comfort and balance
- 22" x 53" walking surface provides a spacious walking surface while remaining space efficient
  - ◆ a wider surface is safer, especially while you are focused on your work
  - ◆ the shorter deck provides space savings in the office, since walking is done at the front of the deck
- ActiveFlex II Suspension and Orthopedic Belt provide extra cushioning for users of all sizes
- Electric Desk Height Adjustment with 2 Quick Presets allows easy, effortless adjustments between users
  - ◆ 36.0"-50.5" of Electronically Adjusted Desk Height Range (measured from walking surface to wrist pad)
- DualKit Compatible-Provides access to the world of i.Concept and the BH family of fitness apps through the use of a DualKit Stick
  - ◆ i.Concept apps are designed to entertain, keep you motivated and focused on your goals
- 2 USB Charging Ports and 3 AC Outlets are conveniently located where you need them on the desktop
- Convenient and Easy to Use Console shows Speed, Time, Calories Burned, Distance and Steps
- Dual-sided, Logo-stamped tread belt helps to provide a visual indicator of belt-movement for safety
